**SAN DIEGO POLICE DEPARTMENT
INVESTIGATOR'S REPORT**

DATE (occurrence): August 28, 2015 (Friday)

TIME (occurrence): 0016 Hours

LOCATION: 5644 Mission Center Road, San Diego, CA.

SUBJECT: 245(a)(1) PC, Assault with Deadly Weapon – SDPD Case #15-037227
OIS/Special Investigation – SDPD Case #15-037226
Incident #15080049480
Officer: OBERNDORFER, Eric, ID #5672
Suspect: HOBER, Robert Arthur W/M (54) 09/20/60

INVESTIGATION: (Security Video follow-up)

On August 28, 2015, I received a telephone call from Detective Sergeant Matt Dobbs #5228 of Homicide Team III that we were being assigned to investigate an Officer Involved Shooting that occurred at 5644 Mission Center Road in San Diego and I was directed to respond to that location for the briefing.

INVESTIGATION: (CVS Security video)

Detective Sergeant Dobbs #5228 assigned me to interview [REDACTED] told me the suspect was sitting at a display table that was outside of the front doors. After speaking with [REDACTED] I checked for CVS security video. [REDACTED] showed me the computer located upstairs where it is possible to view the security video. The video shows the front sliding doors of the CVS Pharmacy. The view is from the interior of the store and you can see outside of the glass doors and only a few feet on either side of the doors. The table where the suspect was sitting at is to the right of the glass doors and is not in view. The security video time was 18 minutes faster than actual time. We reviewed the video which showed the following:

2247 hours, (actual time 2229 hours):

Suspect is purchasing two bottles of wine at register and then walks out the store.

0028 hours, (0010 hours):

[REDACTED] walks out front doors to speak to the suspect and a few moments later [REDACTED] is seen running back in to the store. The suspect can be seen banging the glass just to the right of the sliding glass doors.

0031 hours, (0013 hours):

A male wearing a green sports jersey is seen walking out of the store. [REDACTED] identified this person as the Hispanic male he warned to be careful as he walked out of the store. Shortly after the Hispanic male the suspect is seen taking the rug lying on the cement just outside of the sliding glass doors.

0033 hours, (0015 hours):

Officer Oberndorfer parks his patrol vehicle in front of the store. Just the headlights of the patrol vehicle can be seen on the right side of the screen. Approximately 20 seconds later the suspect can be seen walking in front of the sliding glass doors from the west to the east where he falls down just to the left of the glass doors. Officer Oberndorfer can be seen walking over to the suspect. The video ends after paramedics had arrived.

[REDACTED] said he was unable to download a copy of the video to give to me but his [REDACTED] would be at [REDACTED]

At approximately 0700 hours I returned to the CVS Pharmacy to recover the security video and spoke with [REDACTED] I told him that I wanted a copy of the video showing the suspect making his purchase and finishing when the paramedics arrive. [REDACTED] gave me two compact discs containing the video. [REDACTED] told me the discs also contained the software to view the video. I attempted to view the video at Police Headquarters and was unable to.

I also told [REDACTED] that [REDACTED] told me a Hispanic male had made a purchase just after [REDACTED] ran back in to the store. [REDACTED] had warned the male to be careful walking out the store. I asked [REDACTED] if he could check the video for the male. [REDACTED] told me the Hispanic male made his purchase with cash and he was unable to provide me with a name for this customer. I impounded the two compact discs in the Property Room located at Police Headquarters under Incident #15080049480.

[REDACTED]

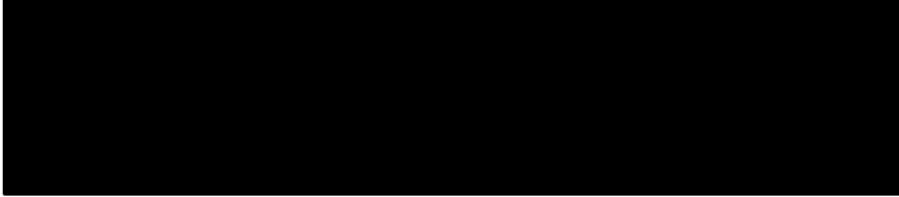

INVESTIGATION: [REDACTED] security video)

On August 28th, 2015, I contacted [REDACTED] who is a [REDACTED] at the [REDACTED] located at [REDACTED] in San Diego. [REDACTED] walked me over to a computer in the front office of the store. There was no deviation on the video time versus the actual time. I checked for the suspect on the security video to see if he had entered the store prior to the shooting. I viewed from 2200 hours to 0015 hours and did not see the suspect enter the store or walking in front of the store.

[REDACTED]

INVVESTIGATION: [REDACTED] security video)

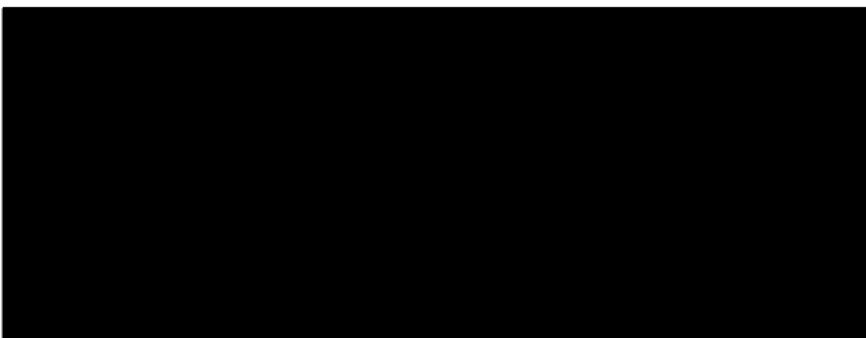

On August 28th, 2015, I contacted [REDACTED] who works at the [REDACTED] located at [REDACTED] in San Diego. [REDACTED] showed me the security video for the store. The time on the video was 2 minutes faster than actual time. The video shows the interior of the front doors and just outside the door a few feet. [REDACTED] told me that at night the video is motion activated. We checked the video and did not see the suspect on the video prior to the shooting incident.

INVESTIGATION: (Additional businesses)

I attempted to obtain security video from the other businesses located in the strip mall where the incident occurred. I contacted the following business and I was not able to obtain or view security video. These businesses did not have security video for various reasons. The security cameras were not working, the business did not have security cameras, or the security cameras did not show the outside of the business. I also checked the exterior of the strip mall buildings for any security cameras and did not find any.

The following businesses were contacted:

INVESTIGATION: (Body Worn Camera videos)

On August 28th, 2015, Officer Oberndorfer #5672 was involved in an Officer Involved Shooting while arriving at the scene of a radio call (Incident #15080049480) of a male threatening [REDACTED] with a box cutter at the CVS Pharmacy located at 5944 Mission Center Road in San Diego. On August 28th, 2015, I downloaded 3 Body Worn Camera (BWC) videos related to this incident. On September 1st, 2015, I checked again and found additional BWC videos. I reviewed each of these videos. The audio on the video does not come on until after the first 30 seconds on each of the videos.

Officer Oberndorfer's, #5672, BWC video:

I reviewed the Officer Oberndorfer's BWC video from the Evidence.com computer system which shows the video starting time at 00:15:56 hours and 7 minutes and 16 seconds long. The video begins with Officer Oberndorfer driving his patrol vehicle to the CVS Pharmacy. Officer Oberndorfer parked his vehicle in front of the CVS Pharmacy front doors and exits his vehicle. As he is exiting the patrol vehicle, you can see the suspect already advancing towards the officer. The suspect is coming from the area in front of the CVS front doors. He quickly advances towards the officer, stepping down from the curb, into the parking lot, and continues towards the officer.

As the officer exits his vehicle, he retrieves his handgun and points it at the suspect who is still advancing towards him. The officer begins to walk backwards, and away from the suspect. By now the 30 second audio delay on the BWC has ended and sound can now be heard. The officer can be heard giving the suspect commands by yelling, "Put the knife down". The officer continues to walk backwards and passes the rear end of his vehicle by several feet. The suspect continues walking towards the officer and has made his way past the driver's door of the patrol vehicle. The suspect can be seen holding the box cutter in his right hand and brings it up in a throwing motion. The officer fires his handgun two times with the first shot occurring as the suspect begins to throw the box cutter, and the second shot occurring shortly after the first shot. The suspect then turns away from the officer and begins to walk back towards the front doors of the CVS. The officer announces on his radio that shots have been fired and then yells commands at the suspect to get down on the ground. The suspect walks eastbound in front of the CVS doors and stops next to a stucco pillar on the right side of the doors. The suspect leans against the pillar momentarily with his back to the officer who is still yelling commands at him to get down on the ground. After a few moments, the suspect falls backward with his head striking the cement ground. The officer handcuffs the suspect, checks for a carotid pulse, and tells the suspect that medics are on the way.

Additional officers arrive and assist the officer with containing the scene. An officer begins CPR on the suspect. The video ends with Officer Oberndorfer talking to Sergeant Hol slag #5356.

Officer Aaron Sultan, #7278, BWC video:

Officer Aaron Sultan had two BWC videos for this incident. The BWC was turned on at 00:21:58 hours and is 12minutes and 25 seconds long. The video begins with the officer walking up to the front of the CVS store. The suspect is lying on the cement and two officers appear to be attending to the suspect. One of the officers is doing CPR chest compressions for the suspect. The second officer is kneeling near the suspect's head. A third officer is standing next to them. The officer then begins to use yellow police tape to cordon off the scene. After about one and half minutes of video, a fire engine arrives. The video ends with Officer Sultan continuing to tape of the scene.

Officer Sultan's second BWC video began at 00:46:43 hours and the duration was 10minutes and 48 seconds long. This video begins with the officer standing near an ambulance that drives away from him. At about one minute in to the video a female tells the officer about a male who is at the scene, "You guys already had words with him once. He wouldn't get out of the area and he is crazy or on something". The female then walks away. The officer then tells another officer that a male in a black shirt was being a problem and was trying to get through the tape but he would watch him. Officer Sultan then monitors the area he had taped off until the end of the video.

Officer Houshawn Legrand, #61998, BWC video:

Officer Legrand's BWC video was turned on at 00:19:55 hours and the duration was 9minutes and 32 seconds. The video begins with Officer Legrand in front of the CVS front doors. He walks to the suspect who is lying on the cement ground face down while Officer Oberndorfer removes the handcuffs from the suspect's wrists. At about 30 seconds in to the video Officer Legrand begins CPR chest compressions on the suspect. At 45 seconds into the video Officer Legrand checks the suspect's carotid artery and says he does not have a pulse and continues CPR. Officer Legrand tells an officer to get his CPR mask. Another officer can be heard saying, "Stay with me bud". At 1 minute and 14 seconds you can hear an officer say, "He's breathing, no pulse". At 2 minutes, Officer Legrand says, "He's taking breaths but I have no pulse". At 2 minutes and 10 seconds an officer says he is bleeding out and Officer Legrand says, "Turn his head away". Officer Legrand continues to do chest compressions until 4 minutes and 28 seconds when firemen arrive and take over medical aid.

Officer Alex Chiappone, #7194, BWC video:

Officer Chiappone's BWC video was turned on at 00:21:20 hours and was 4 minutes and 47 seconds long. The video begins with Officer Chiappone driving his patrol vehicle to the scene and parking on the west side of the parking lot. Officer Chiappone runs to the front of the CVS store where firemen are attending to the suspect. Officer Chiappone enters the CVS store and separates the three employees in the store. He advises them to not make any statement to each other and detectives will be coming to talk to them. Shortly after this the video ends.

Investigator's Report

Witness: [REDACTED]

Case #15-037226; #15-037227

Page 3

Officer Brian Moore, #5556, BWC video:

Officer Moore's BWC was turned on at 00:33:03 hours and was 10 minutes and 48 seconds long. The video begins with Officer Moore walking up to another officer who is talking to a male. The officer is attempting to obtain a phone number for the person. Officer Moore then assists with taping off the mall parking lot and the video ends.

Officer Anthony Fiorillo, #7205, BWC video:

Officer Fiorillo's BWC was turned on at 00:22:02 hours and is 10 minutes and 2 seconds long. The video begins with Officer Fiorillo assisting two officers who are giving CPR to the suspect. At around 2 minutes in the video, firemen arrive and take over medical aid for the suspect. The video ends with Officer Fiorillo assisting at the scene.

CASE SYNOPSIS / REVISIONS

On August 28, 2015, at 0022 hours, I was notified by Lieutenant Mike Hastings that Homicide Team III was being assigned to investigate an officer involved shooting at 5644 Mission Center Road. I notified the other members of Team III (Detectives Newquist, Jose, Maggi and Clendenen-relief) and CSS Jennifer Sanders. We assembled at the scene and were briefed by Sergeant Art Swadener at 0145 hours.

Sergeant Swadener told us communications received a call at 0011 hours on August 28, 2015 from [REDACTED] at the CVS located at 5644 Mission Center Road. [REDACTED] said a male had chased [REDACTED] into the store. [REDACTED] said the male was armed with a box cutter and was now possibly seated in front of the store at a table. [REDACTED] described the male to the dispatcher as; a white male, 55 years old, 6 feet tall, wearing a black shirt and jeans.

Officer Eric Oberndorfer #5672 was dispatched to the call, along with other officers. Officer Oberndorfer was the first to arrive on scene at 0016 hours. As Officer Oberndorfer was driving through the strip mall, he did not initially see the suspect (Later identified as Robert Hober) sitting at the table in front of the CVS. Officer Oberndorfer's view of the table and suspect was obscured by a large stucco pillar. When Hober saw Officer Oberndorfer, he stood up as Officer Oberndorfer stopped his car to get out. Hober immediately began yelling the Officer Oberndorfer. Hober pulled out a box cutter and began advancing on Officer Oberndorfer. Officer Oberndorfer gave verbal commands to Hober, directing him to drop the weapon. Hober refused to drop the weapon and began advancing on Officer Oberndorfer. Officer Oberndorfer fired his handgun twice, with both rounds striking the Hober. One round struck Hober in the chest, just below the left nipple. The second round struck Hober in the right knee. Hober eventually fell to the ground, where Officer Oberndorfer handcuffed him. Other officers arrived and began providing first aid, eventually performing CPR until relieved by medics (Engine 45 and Medic 36). Hober was pronounced deceased at the scene by Doctor Deaver from Mercy Hospital at 0034 hours.

Case # 15-037226
Victim: OBERNDORFER, Eric

At the conclusion of the briefing I directed Detectives Newquist and Kellner to process the scene, along with CSS Sanders and Criminalist Hemmerling. I directed Detectives Maggi, Jose and Clendenen to contact the witnesses and attempt to secure any surveillance video footage.

Officer Oberndorfer, Peer Support Sergeant Nick Nguyen and POA Attorney Rick Pinkard returned to the scene and conducted a walk through. Officer Oberndorfer, Sergeant Nguyen and Attorney Pinkard then met with Lieutenant Hastings and me at headquarters for the interview. During the interview, Sergeant Nguyen transported Officer Oberndorfer's Body Worn Camera to Central Division where it was docked and downloaded. Sergeant Nguyen later returned, with the BWC, to the Homicide Office.

Lieutenant Hastings and I interviewed Officer Oberndorfer in the presence of Attorney Rick Pinkard. Also present for the interview was Lieutenant Mike Holden. The following is a brief synopsis of what Officer Oberndorfer told us. The interview was digitally recorded and can be referred to (Along with the transcription of the interview) for further details. Officer Oberndorfer reviewed his BWC footage prior to our interview.

Officer Oberndorfer responded to a call of a male at the CVS Pharmacy threatening [REDACTED] with a box cutter. The male was described as a white male wearing a black shirt. The male was supposed to be sitting at a table in front of the store. As Officer Oberndorfer was driving through the lot, he did not see any tables in front of the CVS. As he neared the front doors of the CVS, he could see a table that had been blocked by a large pillar. Officer Oberndorfer saw a male sitting at the table and noticed he matched the description from the radio call. The area was well lit and he did not have any difficulty seeing. As Officer Oberndorfer was stopping his car to get out, the male (Later identified as Robert Hober) quickly stood up and began yelling unintelligibly at Officer Oberndorfer. Hober pulled out a box cutter and held it in what he described as a "threatening manner". Officer Oberndorfer drew his weapon and began giving Hober verbal commands to drop the weapon and stop. As Officer Oberndorfer was giving Hober verbal commands, Officer Oberndorfer backed up several steps in order to gain time and distance, affording Hober the opportunity to surrender. Hober raised the box cutter in his right hand, over his head, and appeared as if he was going to throw it at Officer Oberndorfer. Officer Oberndorfer could see the blade of the box cutter reflecting the surrounding lights. Officer Oberndorfer feared he would be seriously injured by the box cutter if it were thrown, so he decided to fire his weapon to protect himself. As Officer Oberndorfer fired his weapon, Hober threw the box cutter at him. The box cutter landed at Officer Oberndorfer's feet. Officer Oberndorfer stopped firing when he realized Hober was no longer an immediate threat. Officer Oberndorfer began giving verbal commands for Hober to get on the ground. Hober still refused to comply with his verbal commands, but Hober eventually fell to the ground. Officer Oberndorfer took the opportunity to handcuff Hober at that point. As other officers arrived, they began providing first aid, including CPR. Officer Oberndorfer did not have any further contact with Hober.

Lieutenant Hastings and I reviewed Oberndorfer's BWC and noted the video footage was consistent with Officer Oberndorfer's statement.

While processing the scene, a green box cutter was located in the area Officer Oberndorfer had been standing. The box cutter was broken, but did contain an exposed razor blade, as

Victim: OBERNDORFER, Eric

well as a silver metallic thumb guard. When Doctor Wagner of the Medical Examiner's Office arrived, he examined Hober's body and found a through and through wound to the lower portion of both legs as well as the wound to the torso.

Detectives Maggi and Clendenen interview the reporting party, [REDACTED] essentially told them Hober had been calmly sitting in front of the store before becoming agitated - yelling and screaming. At one point [REDACTED] asked Hober to leave. Hober became increasingly agitated and pulled out a box cutter. Hober chased [REDACTED] back into the store, but Hober did not enter the store. [REDACTED] called 9-1-1. When the officer arrived, Hober got up and advanced on the officer while holding the box cutter. The officer fired three shots before Hober stumbled back toward the store. Other officers arrived and handcuffed Hober. [REDACTED] could hear the officer giving Hober commands similar to "stop" before the shots were fired.

Detectives Maggi and Clendenen also interviewed [REDACTED] who was inside the store at the time of the incident. [REDACTED] did not see the shooting.

Detective Jose interview [REDACTED] who was chased back into the store. [REDACTED] said he had gone outside because Hober was agitated and yelling. As he walked out and asked Hober what was happening, he could see Hober grab a box cutter in his hand. [REDACTED] noticed Hober manipulating the box cutter as if he was trying to expose the blade. [REDACTED] retreated into the store for safety. [REDACTED] did not actually see the shooting, but he could hear the officer giving Hober verbal commands and Hober yelling at the officer prior to the shots being fired.

Detective Jose was able to obtain a copy of the surveillance footage from the CVS. He checked several other businesses, but located no other footage. Some of the stores in the adjacent portions of the shopping center were not open for business and the employees have not yet been contacted, although it is unlikely they will have cameras covering the scene. Team III will follow-up with those businesses.

Captain Nisleit, Lieutenant Hastings, Lieutenant Holden and I met with Hober's [REDACTED] at his residence to do the death notification.

On Wednesday, October 14, 2015, Captain Nisleit, Lt. Hastings, and Sgt. Dobbs met with a representative of the [REDACTED] He was shown the BWC of the incident so the [REDACTED] could verify what they were being told was indeed the truth.

SAN DIEGO POLICE INVESTIGATE OFFICER-INVOLVED SHOOTING IN THE MISSION VALLEY EAST COMMUNITY

On Friday, August 28, 2015, at about 12:11 a.m., uniformed San Diego Police Officers responded to a 911 call of a male with a box cutter threatening people in the 5600 block of Mission Center Road. The reporting party said the suspect was yelling and had chased and threatened [REDACTED] of a nearby store.

An officer, who was a short distance away, arrived at the scene and began to check the area for the suspect. The officer saw a person matching the suspect's description and saw he was holding a box cutter in his hand. The officer exited his patrol vehicle and gave the suspect verbal commands. The suspect ignored those commands and quickly advanced on the officer, while holding the blade pointed at the officer. The officer retreated to the rear of his police vehicle to create distance while continuing to give verbal commands. The suspect continued to advance resulting in an officer-involved shooting. Medical aid was immediately rendered, but the suspect was pronounced deceased at the scene.

The decedent is a male in his 50's and was identified, but his name is being withheld pending family notifications.

The officer is a 15-year veteran of the San Diego Police Department.

Anyone with information regarding this incident is asked to call the Homicide Unit at [REDACTED] or Crime Stoppers at [REDACTED]

[REDACTED] described the male to the dispatcher as; a white male, 55 years-old, 6 feet tall, wearing a black shirt and jeans.

Officer Eric Oberndorfer #5672 was dispatched to the call, along with other officers. Officer Oberndorfer was the first to arrive on scene at 0016 hours. As Officer Oberndorfer was driving through the strip mall, he did not initially see the suspect (Later identified as Robert Hofer) sitting at the table in front of the CVS. Officer Oberndorfer's view of the table and suspect was obscured by a large stucco pillar. When Hofer saw Officer Oberndorfer, he stood up as Officer Oberndorfer stopped his car to get out. Hofer immediately began yelling at Officer Oberndorfer. Hofer pulled out a box cutter and began advancing on Officer Oberndorfer. Officer Oberndorfer gave verbal commands to Hofer, directing him to drop the weapon. Hofer refused to drop the weapon and began advancing on Officer Oberndorfer. Officer Oberndorfer fired his handgun twice, with both rounds striking Hofer. One round struck Hofer in the chest, just below the left nipple. The second round struck Hofer in the right knee. Hofer eventually fell to the ground, where Officer Oberndorfer handcuffed him. Other officers arrived and began providing first aid, eventually performing CPR until relieved by medics (Engine 45 and Medic 36). Hofer was pronounced deceased at the scene by Doctor Deaver from Mercy Hospital at 0034 hours.

Case #15-020915; #15-020916

At the conclusion of the briefing, I directed Detectives Newquist and Kellner to process the scene, along with CSS Sanders and Criminalist Hemmerling. I directed Detectives Maggi, Jose and Clendenen to contact the witnesses and attempt to secure any surveillance video footage.

Officer Oberndorfer, Peer Support Sergeant Nick Nguyen and POA Attorney Rick Pinkard returned to the scene and conducted a walk through. Officer Oberndorfer, Sergeant Nguyen and Attorney Pinkard then met with Lieutenant Hastings and me at headquarters for the interview. During the interview, Sergeant Nguyen transported Officer Oberndorfer's Body Worn Camera to Central Division where it was docked and downloaded. Sergeant Nguyen later returned, with the BWC, to the Homicide Office.

Lieutenant Hastings and I interviewed Officer Oberndorfer in the presence of Attorney Rick Pinkard. Also present for the interview was Lieutenant Mike Holden. The following is a brief synopsis of what Officer Oberndorfer told us. The interview was digitally recorded and can be referred to (Along with the transcription of the interview) for further details. Officer Oberndorfer reviewed his BWC footage prior to our interview.

Officer Oberndorfer responded to a call of a male at the CVS Pharmacy threatening [REDACTED] with a box cutter. The male was described as a white male wearing a black shirt. The male was supposed to be sitting at a table in front of the store. As Officer Oberndorfer was driving through the lot, he did not see any tables in front of the CVS. As he neared the front doors of the CVS, he could see a table that had been blocked by a large pillar. Officer Oberndorfer saw a male sitting at the table and noticed he matched the description from the radio call. The area was well lit and he did not have any difficulty seeing. As Officer Oberndorfer was stopping his car to get out, the male (Later identified as Robert Hober) quickly stood up and began yelling unintelligibly at Officer Oberndorfer. Hober pulled out a box cutter and held it in what he described as a "threatening manner". Officer Oberndorfer drew his weapon and began giving Hober verbal commands to drop the weapon and stop. As Officer Oberndorfer was giving Hober verbal commands, Officer Oberndorfer backed up several steps in order to gain time and distance, affording Hober the opportunity to surrender. Hober raised the box cutter in his right hand, over his head, and appeared as if he was going to throw it at Officer Oberndorfer. Officer Oberndorfer could see the blade of the box cutter reflecting the surrounding lights. Officer Oberndorfer feared he would be seriously injured by the box cutter if it were thrown, so he decided to fire his weapon to protect himself. As Officer Oberndorfer fired his weapon, Hober threw the box cutter at him. The box cutter landed at Officer Oberndorfer's feet. Officer Oberndorfer stopped firing when he realized Hober was no longer an immediate threat. Officer Oberndorfer began giving verbal commands for Hober to get on the ground. Hober still refused to comply with his verbal commands, but Hober eventually fell to the ground. Officer Oberndorfer took the opportunity to handcuff Hober at that point. As other officers arrived, they began providing first aid, including CPR. Officer Oberndorfer did not have any further contact with Hober.

Lieutenant Hastings and I reviewed Oberndorfer's BWC and noted the video footage was consistent with Officer Oberndorfer's statement.

While processing the scene, a green box cutter was located in the area Officer Oberndorfer had been standing. The box cutter was broken, but did contain an exposed razor blade, as well as a silver metallic thumb guard. When Doctor Wagner of the Medical Examiner's Office arrived, he examined Hober's

body and found a through-and-through wound to the lower portion of both legs as well as the wound to the torso.

Detectives Maggi and Clendenen interviewed the reporting party, [REDACTED] essentially told them Hober had been calmly sitting in front of the store before becoming agitated - yelling and screaming. At one point [REDACTED] asked Hober to leave. Hober became increasingly agitated and pulled out a box cutter. Hober chased [REDACTED] back into the store, but Hober did not enter the store. [REDACTED] called 9-1-1. When the officer arrived, Hober got up and advanced on the officer while holding the box cutter. The officer fired three shots before Hober stumbled back toward the store. Other officers arrived and handcuffed Hober. [REDACTED] could hear the officer giving Hober commands similar to "stop" before the shots were fired.

Detectives Maggi and Clendenen also interviewed [REDACTED] who was inside the store at the time of the incident. [REDACTED] did not see the shooting.

Detective Jose interview [REDACTED] who was chased back into the store. [REDACTED] said he had gone outside because Hober was agitated and yelling. As he walked out and asked Hober what was happening, he could see Hober grab a box cutter in his hand. [REDACTED] noticed Hober manipulating the box cutter as if he was trying to expose the blade. [REDACTED] retreated into the store for safety. [REDACTED] did not actually see the shooting, but he could hear the officer giving Hober verbal commands and Hober yelling at the officer prior to the shots being fired.

Detective Jose was able to obtain a copy of the surveillance footage from the CVS. He checked several other businesses, but located no other footage. Some of the stores in the adjacent portions of the shopping center were not open for business and the employees have not yet been contacted, although it is unlikely they will have cameras covering the scene. Team III will follow-up with those businesses.

Captain Nisleit, Lieutenant Hastings, Lieutenant Holden and I met with Hober's [REDACTED] at his residence to do the death notification.

Doctor Wagner of the M.E.'s Office conducted the autopsy and determined the cause of death was a penetrating gunshot wound to the abdomen, perforating the pancreas.

Detective Maggi talked to the reporting party of the previously noted 1171 incident. [REDACTED] could not identify Hober as the person involved. Detective Maggi will be following up with security to obtain surveillance image.

INVESTIGATOR'S REPORT**

DATE (occurrence): August 28, 2015 (Friday)

TIME (occurrence): 0016 Hours

LOCATION: 5644 Mission Center Road

SUBJECT: 245(a)(1) PC, Assault with Deadly Weapon – SDPD Case #15-037227
OIS/Special Investigation – SDPD Case #15-037226
Incident #15080049480
Officer: OBERNDORFER, Eric, ID #5672
Suspect: HOBER, Robert Arthur W/M (54) 09/20/60

Crime Scene Investigation:

On August 28, 2015, at approximately 0028 hours, I received a telephone call from Detective Sergeant Matt Dobbs from Homicide Team III. Sergeant Dobbs informed me there had been an officer involved shooting incident we were being assigned to investigate at 5644 Mission Center Road. I was instructed to meet with the other investigators from Homicide Team III at that location. The following people assembled at the scene and were briefed by Sergeant Art Swadener at 0145 hours: Assistant Chief T. Jarvis, Assistant Chief T. Mc Manus, Captain D. Nisleit, Captain B. Colon, Lieutenant M. Hastings, Lieutenant S. Behrendt, Lieutenant A. Brown, Lieutenant M. Holden, Lieutenant M. Novak, Sergeant M. Dobbs, Sergeant A. Swadener, Sergeant S. Holslag, Sergeant S. Waldheim, Sergeant E. Zwibel, Acting Sergeant P. Heller, Investigator J.C Smith (DA's Office), Detective R. Newquist, Detective M. Jose, Detective L. Maggi, Detective T. Clendenen, Officer A. Fiorillo and Officer D. Leach. The following is a summary of what Sergeant Swadener told us. I recorded the briefing for clarity and a copy of the recording can be reviewed for complete details.

Sergeant Swadener told us communications received a call at 0011 hours on August 28, 2015 from [REDACTED] at the CVS located at 5644 Mission Center Road. [REDACTED] said a male had chased [REDACTED] [REDACTED] into the store. [REDACTED] said the male was armed with a box cutter and was now possibly seated in front of the store at a table. At one point the male lit something on fire (Sergeant Swadener mentioned a previous 1171 incident possibly related to this incident, Incident history #15080049276). [REDACTED] described the male as a white male, 55 years old, 6 feet tall, wearing a black shirt and jeans.

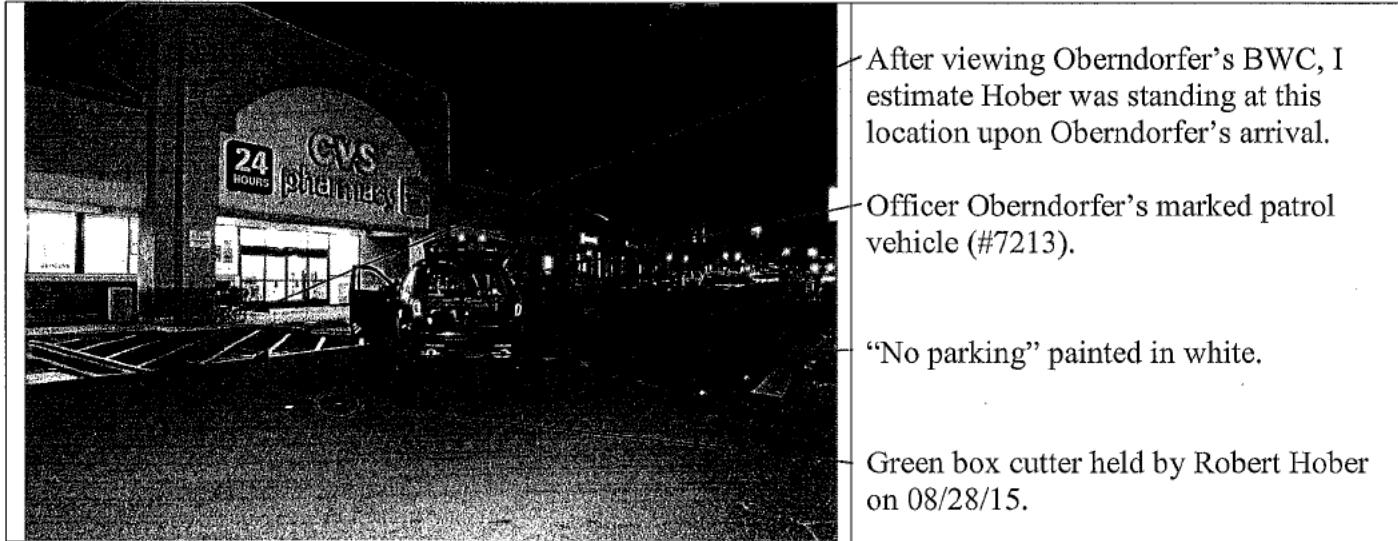

Officer Oberndorfer was the first to arrive on scene at 0016 hours. As Officer Oberndorfer was driving through the strip mall, he did not initially see the suspect (Later identified as Robert Hofer) sitting at the table in front of the CVS. Officer Oberndorfer's view of the table and suspect was obscured by a large stucco pillar. When Hofer saw Officer Oberndorfer, he stood up as Officer Oberndorfer stopped his car to get out. Hofer immediately began yelling at Officer Oberndorfer. Hofer pulled out a box cutter and began advancing on Officer Oberndorfer. Officer Oberndorfer gave verbal commands to Hofer, directing him to drop the weapon. Hofer refused to drop the weapon and began advancing on Officer Oberndorfer. Officer Oberndorfer fired his handgun twice, with both rounds striking Hofer. One round struck Hofer in the chest, just below the left nipple. The second round struck Hofer in the right knee. Hofer eventually fell to the ground and Officer Oberndorfer handcuffed him. Other officers arrived and began providing

first aid until relieved by medics (Engine 45 and Medic 36). Hober was pronounced deceased at the scene by Doctor Deaver from Mercy Hospital at 0034 hours.

Background:

Following the briefing, Detective Ron Newquist and I were assigned to conduct the crime scene investigation. Crime Scene Specialist Jennifer Sanders #8393, Criminalist Tess Hemmerling #8765 and Criminalist Reconstruction Trainee Lisa Wilson assisted us. CSS Sanders began to take overall photos of the crime scene and surrounding area at about 0220 hours.

Prior to being interviewed by Sergeant Dobbs, Officer Oberndorfer conducted a walk-through at the scene, describing his position in the parking lot during this incident. Captain Nisleit, Lieutenant Hastings, Lieutenant Novak, Lieutenant Holden, Sergeant Dobbs, Sergeant Waldheim, Detective Newquist, JC Smith (DA's Office), Criminalist Tess Hemmerling, Criminalist Reconstruction Trainee Lisa Wilson, CSS Jennifer Sanders, Rick Pinkard (POA Attorney), and I were present during the walk through. Officer Oberndorfer's statement was recorded and it began at approximately 0243 hours and ended at approximately 0246 hours (see attached audio disk for exact statement).

We walked closer to the crime scene and stopped about 10 feet west of the open driver's side door of Oberndorfer's patrol vehicle (Equipment #7213). The vehicle was still parked inside the crime scene and its front driver's side door, was open.

Officer Oberndorfer essentially said the following:

When I fired, I was standing almost where the box cutter is. The suspect, at the time I fired, was probably about where the white line is...or closer (Oberndorfer pointed to "No Parking" painted in white located a few feet west of his vehicle). Probably where it says "ING" and maybe towards me a little bit. That's the way I recall it. I fired two rounds in a north, north east direction. I shot in a two handed, standing position. My magazines were fully loaded and I had one round in the chamber. I have a Glock 21.

Scene Description:

The crime scene was located in the parking lot of 5644 Mission Center Road (Friars Mission Center Shopping Complex). The asphalt parking lot is an east to west thoroughfare situated between Frazee Road on the west and Mission Center Road on the east. The incident occurred directly in front (south) of the CVS Pharmacy. The approximate crime scene is circled in red on the map listed below. The area was well illuminated by lights from the overhang, as well as lighting from inside the store.

Scene Investigation:

After Oberndorfer's walkthrough, Detective Ron Newquist #4999, Crime Scene Specialist (CSS) Jennifer Sanders #8393, Criminalist Tess Hemmerling #8765 and Criminalist Reconstruction Trainee Lisa Wilson and I entered the crime scene.

San Diego Police Officer Oberndorfer's marked police vehicle, equipment #7213 was parked about 34 feet south of the front door of the CVS Pharmacy. The front driver's side door was open. East of the CVS front door, was a yellow emergency blanket covering the suspect. The only portion of the body that was visible was the feet and right hand.

	<p>After Officer Oberndorfer's walkthrough, CSS Sanders and I estimated Robert Hober's (suspect) location when the shooting occurred. CSS Sanders marked this location with an Orange flag.</p>

I noted the following items of evidence located at the scene. A projectile (Placard #1) was previously marked in the crime scene by a "tented" PD-145 paper. A green box cutter (Placard #2), a broken wine bottle with label (Placard #3). Two (2) .45 ACP shell casings (Placards #4-5) were located east of the rear bumper of equipment #7213 and also marked with PD-145 paper. A second piece of wine bottle was located under Oberndorfer's rear passenger door (Placard #6).

On 08/28/15, at about 0115 hours I assisted Lieutenant Hastings in placing a yellow tarp over Hober's body. Two items of evidence were located just north of Hober (see below).

Placard #14-Wine cork

Placard #15-Green pen

Hober's body was located on the ground, east of the front door of the CVS Pharmacy at 5644 Mission Center Road. His head was facing west. Hober's pants had been cut by medical personnel. Medical treatment was obvious due to the medical apparatus in his mouth and on his chest.

I observed an apparent gunshot wound around Hober's left rib cage. I also noticed apparent gunshot wounds to both Hober's legs.

On August 31, 2015, I viewed the video footage from Officer Oberndorfer's body worn camera. I noted Oberndorfer opened his driver side door about 25 seconds into the video. Before Oberndorfer exited his vehicle, Robert Hober begins to quickly walk towards him (see video stills below). Officer Oberndorfer's first shot occurs at about 32 seconds into the video. On September 2, 2015, I took a rolling tape measure to the shooting scene. I used the photos listed below to estimate Hober's position as Officer

Oberndorfer began to exit his vehicle. I then used the video stills to estimate Hober's position when shot by Officer Oberndorfer (photo #8 below). Using these tools, I estimated Hober covered about 30 feet in under 7 seconds. I estimate Oberndorfer retreated about 18 feet.

On 08/28/15, CSS Sanders took this photo of the box cutter thrown towards Officer Oberndorfer by Hober during the above listed incident. The partially extended blade is circled in red. In video still #8, you can see Hober's right arm extended as he raised the box cutter. Officer Oberndorfer's first shot occurs in video still #8, followed by a second shot. Hober had a gun shot wound to the left side of his rib cage. A second shot traveled through both of Hober's knees.

At 0408 hours, Chief Medical Examiner Dr. Glenn Wagner arrived along with Investigator Christopher Burton #23. Detective Newquist briefed them about the incident.

At 0421 hours, Dr. Wagner and Investigator Burton examined Hober's body. Hober was wearing a black t-shirt, blue jeans and green boxer shorts.

At 0456 hours, the body removal team arrived.

At 0505 hours, the body removal team placed paper bags on Hober's head, hands and feet.

At 0512 hours, the body removal team placed the body in a white sheet and then in a white body bag in my presence.

At 0516 hours, Investigator Burton placed a red plastic seal on the bag with number [REDACTED]

At 0517 hours, the body removal team removed the body from the scene.

Evidence Collection:

All the evidence was photographed and collected by CSS Sanders. Prior to securing the crime scene we again checked the area for additional evidence and none was found.

Incident #15080049480
Officer: OBERNDORFER, Eric, ID #5672
Suspect: HOBER, Robert Arthur W/M (54) 09/20/60

Morgue Scene:

On August 28, 2015 at approximately 1100 hours, Forensic Specialist Jennifer Sanders #8393, Detective Ron Newquist #4999 and I viewed the decedent who was lying supine on a table in the examining room at the San Diego County Medical Examiner's Office. At this time, the decedent was encased in a white zippered body bag. The body was identified in writing by an attached Medical Examiner's blue identification band, bearing the name "Hober, Robert" and [REDACTED] A red plastic seal bearing the number [REDACTED] closed the bag securely.

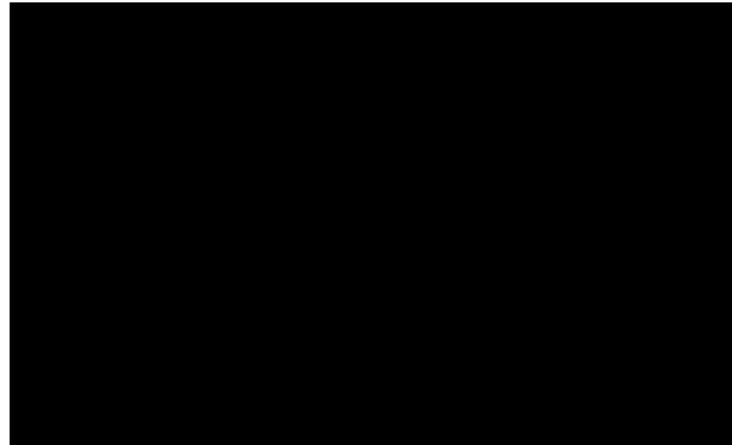

Dr. Glenn Wagner, The County Deputy Medical Examiner Pathologist, was to perform the autopsy. Dr. Othon Mena was the witnessing pathologist. Forensic Autopsy Assistant Michael Andrade was scheduled to assist Dr. Wagner.

Prior to the examination of Hober, he was x-rayed to determine the presence and location of any projectiles or broken bones.

At approximately 1106 hours, Crime Scene Specialist Sanders began taking overall photographs of the body bag in which Hober was encased. Dr. Wagner broke the seal and opened the body bag. Hober was found wrapped in a white sheet. His head, hands and feet/shoes were bagged. Various items of medical intervention were attached to his person. He was also wearing a black t-shirt, blue jeans and green boxer shorts. Crime Scene Specialist Sanders collected the sheet and took additional photographs of Hober in his present condition. The body bag was discarded.

Hober was dressed the same and appeared to be in the same condition as when he left the scene on August 28, 2015. The plastic bags placed on the decedent's head, hands and shoes at the scene by the body removal team were still in place.

At approximately 1133 hours, Dr. Wagner removed the paper bags from Hober's head, hands and shoes. Crime Scene Specialist Sanders collected the bags. Dr. Wagner and Forensic Autopsy Assistant Andrade then removed Hober's clothing. Dr. Wagner examined the clothing.

After the examination of the clothing, Crime Scene Specialist Sanders collected the items.

At 1155 hours, Crime Scene Specialist Sanders conducted fingernail scrapings on the decedent and collected the removed matter.

At 1159 hours, Crime Scene Specialist Sanders collected head hair from Hober.

At 1200 hours, Crime Scene Specialist Sanders took a mouth swab from Hober.

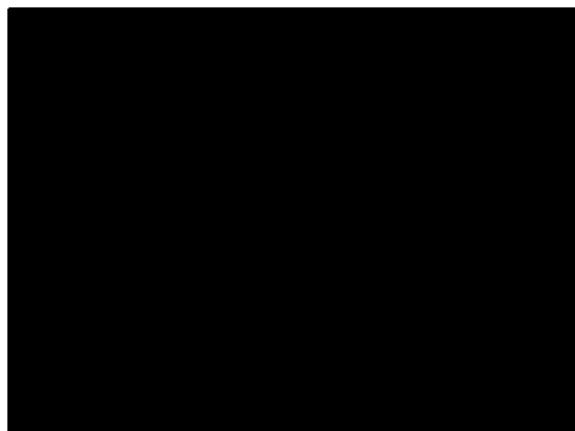

After the items of evidence were collected, Forensic Autopsy Assistant Andrade washed Hober.

At approximately 1207 hours, after being washed, Crime Scene Specialist Sanders photographed Hober in his present condition. I began to closely view the decedent.

The decedent appeared to be a white male appearing consistent to the identified age of 54 years. He was approximately 74 inches tall and weighed approximately 220 pounds. He had brown and gray colored hair that was about four inches in length at its longest point and Hazel colored eyes.

The face and head were viewed. The following trauma was noted.

- Hober had a laceration to the back of his head.

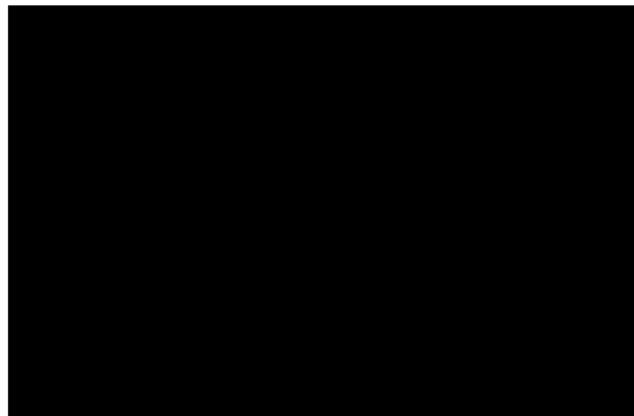

The decedent's neck was viewed.

- No trauma was noted.

The decedent's chest and abdomen were viewed.

- Hober had an entrance wound measuring approximately $\frac{1}{4}$ inch in his left rib cage area.

The decedent right shoulder, arm and hand were viewed.

- Hober had an abrasion to his right elbow.

The decedent left shoulder, arm and hand were viewed.

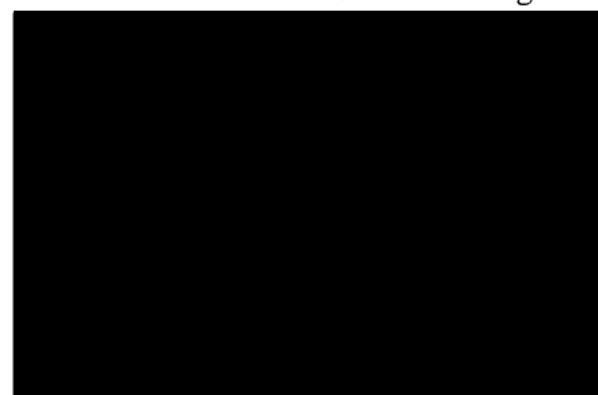

- Hober had an abrasion to his left elbow.

The decedent's groin was viewed

- No trauma was noted.

The decedent's right leg and foot were viewed.

- Hober had an abrasion to his right knee.
- Hober had an entrance/exit wound to the inside and outside of his right knee.

The decedent's left leg and foot were viewed.

- Hober had an entrance/exit wound to the inside and outside of his left leg (just above left knee).

The decedent's back and buttocks were viewed.

- No trauma was noted.

At this point, Dr. Wagner proceeded with the autopsy. At the conclusion of the autopsy, Crime Scene Specialist Sanders collected the recovered evidence. For details regarding evidence recovered, please refer to Crime Scene Specialist Sanders Evidence Report.

Dr. WAGNER concluded the cause of death was consistent with a penetrating gunshot wound to the abdomen and listed the manner of death as a Homicide.

At approximately 1415 hours, Crime Scene Specialist Sanders and I cleared from the Medical Examiner's Office.

MD: Was there any less than lethal force used in this incident?
EO: No?

MD: Batons? Okay. Okay, let's get on with the interview. I have a map here, aerial picture if you need it to refer to anything, or if anyone else needs to clarify anything. How did you first become aware of the incident that lead to the shooting tonight?

EO: I heard a radio call aired of a 417 knife at the CVS on Mission Center. I believe Sergeant SWADENER volunteered to go to it because most everybody was tied up on a burglary. On Fenton and Parkway, that's where I was, and I was leaving that location to actually go Code 8, and had turned westbound onto Friars when the call was coming out. And I was down the street so I volunteered to go to the call.

MD: Okay, and do you remember the details of that call?
EO: What I remember is there was a 40 to 50 year old white male who had a box cutter threatening, had threatened [REDACTED] with it and [REDACTED] ran back into the store. And the male was acting agitated.

MD: Okay. And so you responded to the scene from?
EO: From Fenton Parkway.

MD: Fenton Parkway?
EO: Yeah.

MD: About how far away is that?
EO: Uh I'm gonna guess roughly a mile and a half, to two miles. Somewhere in that range I guess.

MD: Do you recall if they gave a description of the male?
EO: They did. They said he was wearing a black shirt, and I think blue jeans, but I asked for an updated description when I went on scene.

MD: Okay, from the time you responded to the time you went on scene, do you recall any updates being given?
EO: Only that he was sitting a table. The RP said he was still sitting at a table. I assumed around somewhere in the vicinity of the CVS.

MD: On the original 417 call they said he was armed with a box cutter?
EO: Yes.

Page 6

MD: Was he armed with any other weapons that they mentioned?

EO: No.

MD: Any other non conventional weapons?

EO: No. I do recall that he had dropped or threw something. They said he had broke a bottle of wine in the parking lot and I remember that as part of the call too. And I don't know if that was part of his agitation but uh, I remember that being put out. But no other weapons were mentioned.

MD: Okay, when you arrived on scene, you said you asked for another update?

EO: Yeah. As I was pulling into the driveway from Hazard Center, driving eastbound into the parking lot, I saw an Asian male wearing a black shirt and black shorts, walking on the east side of the driveway, westbound. I'm sorry on the south side of the driveway, westbound. And that's when I asked her for an update because this wasn't a white male that I've seen walking towards me. And I wanted to make sure that I was not passing the suspect. She said it was a white male 40 to 50 and this guy was probably in his 20's or 30's.

MD: Okay. For the purpose of the interview and just for clarification, we'll consider Friars running east and west, and the CVS would be on the north side of Friars Road?

EO: That is correct.

MD: Okay. On this map right here, can you indicate which driveway you came in?

EO: Okay, I have to see where....here's the CVS, here's Friars Road. There is a....

MD: It is expanded out far enough?

EO: Yeah. It's not expanded out far enough. There...over...here which would be the kind of the southwest corner of this photo, if it were expended out, is Hazard Center Road.

MD: So it'd be that lone driveway that comes in off of....?

EO: Yes.

MD: Off of....?

EO: It goes....

MD: Okay.

EO: Goes in from the west side of the shopping center.

MD: Okay. And can you indicate the route you took coming in?

EO: Yeah.

MD: Just draw an arrow, just right there. Okay. Okay, so you arrive on scene. You ask for an additional update. You see the Asian male.

EO: Right.

Page 7

MD: Are you given any further updates?

EO: Not any further updates other than the RP said, 'He's still sitting at the table', and I, and the reason I say it that way is because there are tables in front of some restaurants to the west of the CVS. There's other shops. There's uh the 'Jamba Juice', and 'Einstein Bros.', and there's tables in this area here. And I didn't see him at the tables there. And as I was driving very...I was driving slowly, probably five to ten miles an hour, you know, looking for him. I could see there were no tables along the south facing portion of the CVS. I didn't see the table behind the pillar until I reached almost the front door of the CVS. And that's when I saw him sitting at the table and I made a, kind of a northerly turn towards him and stopped my patrol vehicle.

MD: When you first saw him, what did you notice?

EO: He was sitting at the table. He matched the description that was put out; black shirt, white male, 40's to 50's. It looked like there was a wine bottle on the table and some other package or bag on the table. But um, as I'm pulling in, stopping, opening my door, that's when he immediately stood up. I could see that he was agitated. He was yelling something and it sounded something similar to, 'Oh bullshit!' 'No way' or something like that. And that's when he brought out the box knife and started advancing towards me.

MD: Okay. As you pull up, at what point does he stand?

EO: As I'm exiting my patrol vehicle. It's like I pull in, I'm opening my door, stepping out. He's getting up simultaneously. And I step out and he gets up and that's when he brings out the box knife.

MD: Okay.

EO: Box cutter.

MD: Okay. Where did he get the box cutter from?

EO: Initially it looked like it was in his...I think it was in his left hand. Or I don't know if he transferred because I went immediately to my lethal because he was advancing towards me. And I was backing up and with each stride backwards I was yelling, 'Drop the knife! Drop the knife! Drop the knife! Took about four long, four or five long strides backwards just retreating from him, giving him commands to drop the knife and he was quickening his pace and I'm going backwards and he brought...that's when he brought his hand up to throw the knife. And that's when I fired.

MD: Okay. When you initially saw the box cutter, what did you notice about it? Did you immediately recognize it as a box cutter?

EO: Yeah. I saw the...I could see the, the metal colored blade and it reflected off of lights from the CVS. I mean I could clearly see it in his hand.

MD: Okay. And are you familiar with box cutters?

EO: Yes I am.

MD: What type of blade do box cutters normally have on them?

EO: It had like a triangular shape.

Investigator's Report

Interview of Officer OBERNDORFER

Case #15-037226; #15-037227

Page 8

MD: Okay. So he initially, you believe, pulls out the box cutter with his left hand? As far as you recall?

EO: Yeah. Either pulls out or as he gets up from the table has it. He's, he brings it up into a, a threatening position, out towards me.

MD: Can you describe the threatening position?

EO: A threatening position was out in front of him pointed at me in that position as he started to walk, advance towards me.

MD: Okay, but you never, you never saw where he got the box cutter from? If it was on the table or....

EO: If was on the table, out of his pocket, I just saw it come out.

MD: Okay.

EO: You know, in his hand, and again I don't recall him transferring to his right hand, but when he went to throw it, it was, in his, I believe it was in his right hand when he came up to throw it at me.

MD: Okay, and when he stands up and he's bringing this box cutter out, that's at the same time that you're getting out of your vehicle?

EO: Yes.

MD: Okay and I know you said he was yelling and saying things at the time.

EO: Yeah. Other than the initial something like, 'Oh bullshit', 'No way', something to....but I don't know exactly what because I'm uh bringing out my weapon and my gun and immediately started yelling at him, 'Drop the knife! Drop the knife!' as I retreated.

MD: How would you describe his voice and demeanor at that point?

EO: He was agitated.

MD: Okay.

EO: Definitely agitated.

MD: So he eventually, as you exit your car, he pulls the box cutter out. Eventually transfers it to his right hand?

EO: Yeah. I believe it's in his right hand because he came up to throw it and as he brought his arm up and started to come forward, that's when I fired and the box cutter literally landed at my feet. It just kind of floated and landed because I probably hit him as he was starting his forward motion.

MD: And for the purpose of the tape (audio) you're bringing up, demonstrating...

EO: Right, my arm up and starting to advance it forward.

MD: Similar to throwing a baseball overhand?

EO: Yeah.

Investigator's Report

Case #15-037226; #15-037227

Page 9

MD: Okay, and at that point you could see the blade reflecting on the light?
EO: I saw the blade when he got, when he started to walk towards me.

MD: Do you recall if he was saying anything to you at that point?
EO: He was yelling, but I again I cannot tell you anything he said to me because I was yelling, 'Drop the knife! Drop the knife! Drop the knife!', as I was retreating. And I'm yelling pretty loudly.

MD: You had your weapon drawn at that point?
EO: Yes.

MD: Do you know how far you retreated?
EO: I probably retreated uh twenty feet from my door at least.

MD: And what was the purpose for retreating?
EO: To continue giving him commands to drop the knife. Give him the opportunity to drop the knife and keep distance between us, but he was closing that distance. I couldn't retreat as fast as he was advancing on me. I couldn't walk backwards as fast.

MD: So you were trying to create distance? Give him an opportunity to surrender?
EO: Yes.

MD: As you're describing?
EO: Yes.

MD: Did he ever take that opportunity?
EO: No.

MD: Okay. What did he do in response to that?
EO: Again, he brought the knife up into a throwing position and that's when I fired.

MD: Okay. And why did you fire your gun at that point?
EO: Because I was in fear of being mortally or seriously injured by the blade of the knife.

MD: Do you recall how many rounds you fired?
EO: Two.

MD: Two rounds. Do you know if they had any effect on him?
EO: I know they had effect because he turned away from me and started walking staggeredly towards a pillar on the east side of the doorway to the CVS. And I was giving him commands to get down on the ground, 'Get down! Get down! Get down on the ground!' Repeatedly I put out, 'Cover now! Shots fired! Shots fired!', and then was telling him to get down on the ground. He went up...leaned against that pillar on the east side of the doorway. I'm still yelling at him to get down. He kind of slumped, turned and then fell backwards on his back. And I went over because I knew that at least he didn't have

anything in his hands at that time. And he was not resistive at that point so I handcuffed him.

MD: Okay. Do you recall...you said previously that he threw the knife at you?
EO: Yes.

MD: Okay. Do you know where that knife landed?
EO: Yes.

MD: And where was that?
EO: It landed almost at my feet.

MD: Okay. Do you recall what velocity he threw the knife?
EO: I just remember the knife coming towards me and hearing it hit the ground, right near my feet.

MD: Okay. When he threw the knife at you, was it thrown in an assaultive manner?
EO: Yes.

MD: That you would describe it, it wasn't he was dropping it down to the ground?
EO: No. He was...

MD: Okay.
EO: it was assaultive. He was, he was throwing the knife to hit me with the knife.

MD: Okay. Do you recall...I know it's very difficult in these situations, the, you know, the timing of everything. At what point did you make the decision as he's raising the knife to throw at you and then throws it at you? At what point did you make the decision to fire?
EO: As his arm was coming forward.

MD: Okay. And you said previously that because you thought he was going to throw the knife at you and you could be seriously injured if not killed. Do you know when the shots actually went off in that time frame?
EO: Yeah. Again as his arm was moving, just moving forward is when I fired.

MD: Okay. Was the knife ever moved after the shooting incident?
EO: No.

MD: To your knowledge?
EO: No, it was right where it was.

MD: Okay. And you're still giving him directions to get down on the ground?
EO: Yes.

Case #15-037226; #15-037227

Page 11

MD: Okay. Do you remain behind your car where the shots were fired or are you following him?

EO: I moved forward as he turned and started walking kind of northeasterly and then easterly to that pillar. I kind of kept an equal distance following him. Giving him commands to get down.

MD: Okay. So you said he eventually falls to the ground?

EO: Yes.

MD: And you can see there's nothing in his hands at that point?

EO: Yes.

MD: So you go and decide to handcuff him?

EO: Yes.

MD: And you were alone at that point?

EO: Yes.

MD: About how long did it take for the next units to arrive?

EO: A canine sergeant arrived as I was putting him back over on his back, after handcuffing him, and to then assessing him. Where he was shot. I could see that there was a bullet hole in his shirt, on the left side of his chest with blood. I pulled the shirt back, saw the wound and then I checked for his pulse and he was...had labored breathing. And I put out that he was still breathing, you know, start paramedic. Once I had him handcuffed and turned over, I said, 'He's still's breathing. Start paramedics.' And then I told him medics were en route and the canine sergeant came back with a trauma kit and he says, 'You know I don't really know what we're going to do with this', but you know, and then they started CPR on him.

MD: Okay. Did you participate in the CPR?

EO: No. I provided a mask to another officer and it was Houshawn LEGRAND was performing the CPR and I handed the CPR mask to Tony, Anthony...sorry I can't remember his name.

MD: That's okay.

EO: Another officer.

MD: And did you have any more contact with the suspect after that?

EO: After they were giving him CPR, I removed the handcuffs before they started the CPR. When the canine sergeant came back up with the trauma kit, we could see he was not conscious. He said, 'Go ahead and take the handcuffs off' so they started CPR. So I took the handcuffs off of him.

MD: Going back a little back a little bit, you responded there on a call of a male that was brandishing a box cutter?

EO: Yes.

MD: And that had chased [REDACTED] back in the store?
EO: Yes.

MD: Then....
EO: Excuse me.

MD: That's fine.
EO: That's my son.

INTERVIEW STOPPED SO OFFICER OBERNDORFER COULD TAKE PHONE CALL
(The digital recorder did not pause during this break. The recording during this time period includes a conversation between Officer Oberndorfer and his son, then an exchange between Officer Oberndorfer and his attorney. The conversations during this time are considered privileged and were not transcribed)

MD: All right, we're gonna go back on tape here. All right, we're back on. It is 4:14 in the morning. I'm continuing the interview. So you're responding to a 417 call?
EO: Yes.

MD: When you arrive and as you described it where you're a bit surprised to see the suspect there because you didn't know there was a table there?
EO: Yeah. I didn't know there was a table there. Yeah, I would say like, 'Oh there he is', as...I was pulling in and getting out of the car to contact him and we made pretty much eye contact. And he's standing up as I'm getting out and he, like I said, said something, 'Oh bullshit', 'No way' or something like that. And immediately brought the box cutter up in a threatening manner and started advancing towards me.

MD: Can you describe the lighting in the area at the time?
EO: Yeah, it's very bright. The lighting from the CVS illuminates the entire front of the store, almost, that I would describe as daylight lighting. It's very clear.

MD: Okay. Your lights were on your vehicle?
EO: Yes.

MD: Okay. Did you ever illuminate the suspect with a spotlight?
EO: No.

MD: Okay. The vehicle you were driving, it's a marked vehicle?
EO: Yes.

MD: Clearly marked, what kind?
EO: It's the SUV.

MD: Okay.
EO: Black and white.

MD: Okay. And how were you dressed at the time?
EO: In full uniform.

MD: Full uniform as you are now?
EO: As I am now.

MD: Okay. So you see this person and did you believe he was the person from the radio call?
EO: Yes.

MD: Okay. That was threatening people with the box cutter and had chased someone into the store?
EO: Yes.

MD: And when you got out, he immediately pulled out the box cutter and advanced on you?
EO: Yes.

MD: Despite you giving him the opportunity to surrender and creating distance?
EO: Yes.

MD: Okay. And eventually he raised the knife to throw at you?
EO: Yes.

MD: And that's when you decided to fire?
EO: Yes.

MD: Okay. And can you...you told us earlier that you fired because you believed that you were in imminent danger?
EO: Yes.

MD: Okay. At what point did you stop firing?
EO: I fired two rounds and the...I fired the two rounds as he was in the throwing motion.
And...

MD: Why did you stop firing?
EO: Because he didn't have the weapon in his hand any more.

MD: Okay. And you did not see any other obvious weapons at that point?
EO: No.

MD: That were a threat to you?
EO: No.

MD: Okay. Lieutenant?
MH: Eric, how long was it from the time that the suspect stood up to the time that the shooting occurred? Give or take?

EO: Give or take six to ten seconds.

MH: Okay. Did you know that he was going to throw that knife?

EO: Not when he stood up. All I knew was he was advancing on me. It was after he had advanced probably ten, fifteen feet that he brought his arm up in a throwing motion.

MD: Okay and then in that six to ten seconds, did you have an opportunity to use any other force option?

EO: No.

MH: That's it.

MD: Okay. Rick?

RP: Uh no. I think the only question was distance, but you got the hats out there, so you can measure that.

MD: Right.

MH: Were the headlights on the patrol car?

EO: Yes

MD: And it is 4:17 in the morning. We'll be ending this interview now.

OFFICERS REPORT: On the above date and time I responded to a radio call of WMA in front of CVS located at 5644 Mission Center Rd. The dispatcher stated the WMA was agitated, screaming and charged at CVS employees with a box cutter, forcing them inside of the store. While enroute to the call, I heard an other transmit over the radio. He was on scene. Seconds later I heard "shots fired!" over the radio. I transmitted over the radio. I activated my lights & sirens and arrived to the scene within one or two minutes. I pulled in front of the CVS & saw Officer OBERNDORFER #5672 standing next to a handcuffed subject lying on his back in front of the closed doors to the CVS. I asked Officer OBERNDORFER if he was injured and he replied "no". I asked Officer OBERNDORFER safety questions; "How many rounds did you fire?" and "Do you know where the rounds went?" Officer OBERNDORFER responded "I shot two rounds and they both hit the suspect, one in his side and one in his leg". I checked the suspect for weapons and advised Officer OBERNDORFER in handcuffing him so we could administer first aid. Additional units arrived and began CPR. I moved my car so medics & fire could have better access to the suspect. I walked Officer OBERNDORFER away from the scene and stayed with him until he was escorted away to 81st Street Division by SGT. McDonald.

ON 08-28-15, At 0016 hours, I RESPONDED TO A CALL OF SHOTS FIRED APART BY OFFICER OBERNDORFER #5672 AT 5644 MISSION CENTER RD. I WAS BEHIND THREE OTHER OFFICERS AND WHEN THEY EXITED AT MISSION CENTER I DECIDED TO HEAD TO THE WEST SIDE 1/2 BLOCK OF THE ENTRANCE OFF OF FRAZEE ROAD. I POSITIONED MY CAR ACROSS THE ENTRANCE AND WALKED TOWARDS THE SCENE ON FOOT.

I SAW A CAR DRIVE PAST THE SCENE ON THE SOUTH SIDE OF THE LOT. I CONTACTED THE DRIVER [REDACTED] AND ASKED IF HE HAD SEEN OR HEARD ANYTHING. [REDACTED] SAID HE LEFT THE RALPH'S IN THE SAME CENTER AND WAS HEADED TO THE CVS. [REDACTED] SAID HE SAW THE POLICE CARS AND DECIDED TO KEEP DRIVING. [REDACTED] SAID HE DID NOT SEE OR HEAR ANYTHING. [REDACTED] REMAINED AT THE SCENE UNTIL LT. BEHRENDT #4528 SAID IT WAS OK TO RELEASE HIM.

AFTER STOPPING [REDACTED] AND HAVING HIM WAIT I CONTINUED TO THE FRONT OF THE CVS. I SAW OFFICERS PERFORMING CPR, AND OTHER OFFICERS PUTTING UP CRIME SCENE TAPE. I SAW OFFICER OBERNDORFER WALKING AROUND HIS VEHICLE. I TOOK HIM BY THE ARM TO WALK HIM AWAY. HE ASKED ME TO TALK HIS TIRES AND WENT BACK TO HIS TRUCK. I FOLLOWED AND WALKED HIM AWAY AGAIN. SGT. SWADNER ARRIVED AND TALKED OFFC OBERNDORFER ELSEWHERE. I SAW THE CARS AND CHECKED MARKED THE TIRES.

**SAN DIEGO POLICE DEPARTMENT
INVESTIGATOR'S REPORT**

DATE (occur): August 28, 2015

TIME (occur): 0016 Hours

LOCATION: 5644 Mission Center Road, San Diego, CA

SUBJECT: OIS/Special Investigation
245(a)(1) PC, Assault with a Deadly Weapon
SDPD Case # 15-037226; Incident # 15-080049480
Officer: OBERNDORFER, Eric # 5672
Suspect: HOBER, Robert (54) 9-20-60

A/SERGEANT STATEMENT:

On 8-28-15, at approximately 0020 hours, I responded to an Officer Involved Shooting (OIS) radio call regarding a violent disturbance at the CVS Pharmacy, 5644 Mission Center Road near Friars Road. At the time of the radio call, several officers and I were at Eastern Substation preparing to leave for the end of our shift. Incident # 15-080049480.

On my arrival I drove into the large parking lot and parked approximately 200 feet south east of the store entrance. I noticed Fire and Medics at the scene. I spoke to Sergeant SWADNER # 5753 who was assigned to the incident. I saw Officer OBERNDORFER with other officers including K9 Sergeant Scott HOLSLAG and Sergeant Bob McDONALD near his patrol vehicle. Officer OBERNDORFER was visibly shaken.

I also noticed paramedics conducting CPR on a heavy set male (suspect) later identified as Robert HOBER near the entrance of the store. HOBER was subsequently pronounced deceased at the scene.

Sergeant SWADNER asked me to assist patrol officers in checking the area for any potential witnesses. I noticed a car near the south west entrance of the parking lot with an unknown driver. I asked Officer COOPER # 6523 to conduct a Field Interview (FI) of the driver and determine if they were a witness to the shooting. See A-9 by Officer COOPER for witness statements.

I then assisted in following up inside the CVS Pharmacy. I noticed two patrol officers speaking to two separate [REDACTED] including the store manager. A third [REDACTED] was standing near the entrance of the store and told me he had provided his name and information to one of the officers inside. This [REDACTED] told me he did not witness the incident. There were no customers inside

the store at this time [REDACTED]

I explained to the officer and [REDACTED] that the store would have to be closed for the duration of the crime scene investigation. I also asked the [REDACTED] if there were any video surveillance cameras. The [REDACTED] told me yes including the camera located on the ceiling near the entrance of the interior of the store as customers walk inside. I noticed the camera was pointed toward the front door. The [REDACTED] told me there were no outside cameras that she knew of.

At approximately 0043 hours, Sergeant SWADNER asked me to take Officer OBERNDORFER's lunch box from his patrol vehicle and take it to him at the Eastern Substation. [REDACTED]

I retrieved the lunch box from the back compartment of the patrol vehicle and drove it to Officer OBERNDORFER at Eastern Division. I returned to the scene at approximately 0125 hours where I waited with several officers at the east end of the store and parking lot.

I was relieved from the scene by Lieutenant Andra BROWN at approximately 0230 hours.

Re: Public Release of Autopsy and Deputy Medical Examiner's Reports on
Robert Hober 9/20/60, M.E. Case # [REDACTED]

Dear Dr. Wagner:

Pursuant to Government Code Section 6255, I am requesting that you withhold the public release of the autopsies, toxicology and Deputy Medical Examiner's Reports in the above case. It is my belief, and that of the investigators, that the public release of the information contained in the autopsy, toxicology and Deputy Medical Examiner's reports may hamper the successful resolution of the investigation.

Homicide suspects frequently communicate with their peers. There is a probability that a suspect will reveal information to another party. If this information is of the nature that no prior public knowledge was available, investigators could confirm the origin of such information and narrow the scope of their investigation. Such items which are not now public knowledge, but are contained in the autopsy and toxicology reports, include:

- location and nature of trauma on the decedent;
- type of weapon used to kill the victim;
- identification of potential witnesses;
- descriptions of items of physical evidence.

Most, if not all, of the above areas have been withheld by homicide detectives following the investigative maxim that certain facts are known only to the killer(s) and the investigators involved. It is my opinion that the public interest in the release of the above information does not outweigh the societal need to withhold this information in the hopes of obtaining an unbiased resolution to the complex matter.

Sincerely,

Mike Hastings, Lieutenant
Homicide Section

**SAN DIEGO POLICE DEPARTMENT
INVESTIGATOR'S REPORT**

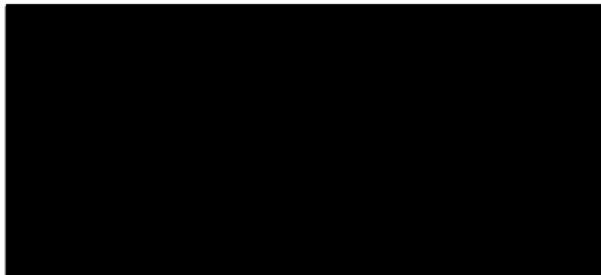

DATE (occurrence): August 28, 2015 (Friday)

TIME (occurrence): 0016 Hours

LOCATION: 5644 Mission Center Road, San Diego, CA.

SUBJECT: 245(a)(1) PC, Assault with Deadly Weapon – SDPD Case #15-037227
OIS/Special Investigation – SDPD Case #15-037226
Incident #15080049480
Officer: OBERNDORFER, Eric, ID #5672
Suspect: HOBER, Robert Arthur W/M (54) 09/20/60

SUBJECT INTERVIEWED:

WITNESS STATEMENT:

On August 28, 2015, I received a telephone call from Detective Sergeant Matt Dobbs #5228 of Homicide Team III that we were being assigned to investigate an Officer Involved Shooting that occurred at 5644 Mission Center Road in San Diego and I was directed to respond to that location for the briefing.

The incident occurred in front of the CVS Pharmacy at 5644 Mission Center Road located in a strip mall. Upon my arrival a patrol officer had the west entrance to the strip mall parking lot cordoned off with yellow police tape and he lifted the tape to allow me to drive in to the parking lot. Another area was cordoned off with yellow police tape just west of the CVS and I parked my vehicle about thirty yards west of the police tape.

Sergeant Swadener #5753 gave the briefing. After the briefing, Detective Sergeant Dobbs assigned me to interview [REDACTED]. At about 0214 hours I spoke to [REDACTED].

[REDACTED] I recorded our conversation on a digital recorder. I later transferred the digital recording to a compact disc which I impounded under incident # 150080049480.

The following is an “in essence” report and is not meant to be a word for word account of my conversation with the witness. The following, paraphrased, is his statement and answers to my questions:

*I don't have a home phone. You can reach me on my [REDACTED] cell phone at [REDACTED].
[REDACTED] Her name is [REDACTED]. I got to here around 10:05. I waited until about 10:25 to
[REDACTED]. The [REDACTED] was here and he helped him buy two bottles
of wine. I saw the transaction but I wasn't paying too much attention to it. He bought two
bottles of wine and he paid cash. I'm not sure if he bought anything else at [REDACTED].
[REDACTED] He went outside and I guess he
was sitting out there for awhile.*

Page 2

An hour or an hour and a half later, I was here with [REDACTED] and I can hear him yelling and screaming at nobody. I don't think anyone was out there. He was sitting at a display table we have out there for the summer section and he was sitting there.

He wasn't really making any sense. He was just yelling to yell, it wasn't like coherent. I have seen him before but not like he's a regular customer. I have seen him maybe a couple of times here at the store. But it wasn't recent. He has that familiar face. I had not seen him within the last couple of months.

He had bought some wine and I figured he was drinking wine. So I went out there to tell him to leave because [REDACTED] can't come in and be yelled at. But as I was telling him, "What's going on" he got the box cutter that was sitting on the table right in front of him. He picked it up and chased me inside. I ran inside but he didn't come in after me, he just started banging on the glass.

When I went out there he was sitting down and he grabbed the box cutter. I didn't see the box cutter until he grabbed it. I was unaware of it. I was talking to him making sure he was OK and I was going to tell him to leave, but I didn't have the chance to because he immediately picked it up.

Did he say anything to you when you initially went out there?

No. I might have said, "What the hecks going on out here?"

Did he reply to that?

Yeah, by picking up the box cutter. The blade wasn't out but I saw him do a hand motion. I didn't see the blade come out because I was running. I was out of there. It looked like he was going to come after me with that. I'm getting the hell out of there. He got up from the table. He didn't run but was briskly walking in my direction and I took that as a threat so I booked it inside.

How close do you think you were?

Ten to fifteen feet. I wasn't too close, but I wasn't far away either. It's a square table and he was sitting closest to the wall with his back towards the store. I ran back in. I think I ran to [REDACTED]. There's a window right in front and he was banging and kicking. He didn't go right up to the doors that slide open, it was right next to it to the left where the 24 hours sign is. It's to the left of the doors as you are facing them. I told [REDACTED] what happened. [REDACTED] got on the phone and called the dispatcher that he was yelling and screaming and threatening me with the knife, (box cutter).

He was a homeless man, in his late 50's, gray hair, and stubble facial hair. He had a black T-shirt on and either jeans or white colored sweat pants. I didn't see if he had shoes on. He was a white guy. The box cutter was a darker colored one and kind of had some wear to it. I saw it for a split second and it was either green or a darker color.

Do you know if anyone else was outside?

I wasn't really paying much attention to my surroundings at the time. Before he was still outside and yelling I did [REDACTED] while he was out there yelling. So I told the [REDACTED] to be careful as he went to his vehicle. It was actually after he threatened me. He bought some beer and I told him to be careful. He was a Hispanic male, in his mid twenties. I think it was about a minute after she had called, it was in that same time period.

I saw him throw a bottle at one point, a glass wine bottle that he had. He threw it in the street. He was just being very belligerent and violent.

So she was calling the police and me and [REDACTED] were making sure he wasn't coming inside. The doors don't lock. The only way to close them is to flip a couple of switches to get the doors to stay closed so it doesn't have the motion sensor activation. But none of us did that because we didn't want to get too close to the situation outside.

He was yelling really loud, just screaming at nobody that I could tell. Just yelling to yell, it was nothing specific just yelling gibberish. Me and [REDACTED] were standing in range of the door to see if he comes in. We can hear an altercation outside. I guess it was the police telling him to put his hands up. I just heard the two arguing or whatever. The doors were closed. I could just hear the two yelling back and forth and then two shots. We got out of the way because we didn't want to get in the crossfire of any shooting. We heard the two shots and he was still stumbling around outside. The officer was telling him to get down and eventually he just fell down on his own. He walked across to the opposite side, on the east, and the officer was in front telling him to get down.

How far was the officer from him?

A good twenty-five feet or thirty feet. The officer cuffs him and I saw him checking for his vital signs. And then they gave him CPR trying to bring him back. I think he stopped breathing.

When you heard the two shots were they two quick shots?

Yeah, within seconds of each other. I believe the officer was trying to give him instruction to get down. I could really hear because the doors were shut but I could hear them yelling, and the other yelling gibberish to the cop. Then I heard the two shots.

Our conversation ended at 0232 hours.

On Friday, August 28, 2015, at about 0020 hours, I received a phone call from Detective Sergeant Matt Dobbs informing me of an officer involved shooting incident in front of the CVS Pharmacy, located at 5644 Mission Center Road. Sergeant Dobbs instructed me to meet with other members of Homicide Team III at that location to be briefed on the incident.

At about 0145 hours, we were briefed on the shooting by Patrol Sergeant Art Swadener. Following the briefing, Detective Tammy Clendenen and I were instructed to conduct witness interviews. At 0213 hours we spoke to [REDACTED] a witness to the incident, in the [REDACTED] I recorded the conversation for clarity and a copy can be reviewed for complete details. This is an "in essence" report and is not meant to be a word for word account of my conversation with [REDACTED] The following, paraphrased, is her statement and answers to my questions:

I got here at 10:33(pm). When I got here, that man was already sitting at the table that is outside on display with his stuff in our shopping cart. He was pulling out two bottles of wine. I thought he was just looking at it. It looked like he was homeless, so I wondered how long he had been in front of the store. I went inside and [REDACTED] I asked the [REDACTED] how long the guy had been out there. It didn't appear that he had been there long. I assumed he was taking the bottle out of the CVS bag to put into his bag. She said he hadn't been there (long).

I went outside to get the [REDACTED] to get a better feel of what he was doing out there. When I got the [REDACTED] I noticed that he was touching something. Our box cutters are the flat silver kind, this was a green one and the blade was already out. He just said "Hi" in a pleasant demeanor. I didn't realize it then, but he had a little Starbucks cup. I thought he was drinking coffee, but I guess he was putting wine into it. I went back in the

Page 2

store and told [REDACTED] about it. Typically we give them about twenty minutes before we tell them they need to go.

[REDACTED] and I went back outside at about 11:00pm, but he didn't seem to be bothering anybody, he was just sitting there. We went to the back and brought the [REDACTED] out to the floor. Then I went back up front to tell [REDACTED] that we needed to [REDACTED] and I asked him to sort them out. Then I heard the man screaming. He was facing east; we thought he was maybe yelling at someone. He was outside and the doors were closed. I could not tell what he was yelling, he sounded horse.

[REDACTED] went outside and asked the man what was going on. The guy got up all aggravated and mad, well he was already aggravated and mad at something. He had the safety cutter in his hand and he was coming at [REDACTED] with it. He charged [REDACTED] and [REDACTED] came back into the store. He wasn't running, but he was walking like aggravated and fast. I couldn't hear what he was yelling because he wasn't enunciating and it seemed like he was slipping out. He was holding the box cutter in front of his body in his right hand. I thought for certain he was gonna follow [REDACTED] in, I am not sure why he didn't. For whatever reason he stopped at the door, hit it, and then kicked it once. He was still screaming and waiving the thing all around. I was standing in front of the [REDACTED] so he had a direct view of me; I presume that he was looking to see if [REDACTED] was still going to bug him. I backed up just enough to where I could see him but he could not see me. That is when I called 911.

I told the dispatcher what happened and she told me to stay on the phone until I was directed to disconnect. Just before the police pulled up, he threw the bottle right where the police car parked a minute later. I also saw him light something on fire and throw it. It looked like it landed in the shopping cart. I thought all his stuff was going to catch on fire, but it fell through the little bar and just went out. I didn't see him smoke or anything, but I guess he had a lighter or something, I never saw it.

As soon as he saw the police he got even more aggravated like they were going to bug him. Most of the time when the police get here they are like, 'Everything is cool. I am fine. I will chill out.' They really don't want a problem. He got up all aggravated and grabbed the cutter or already had it in his hand. I don't know if he ever let it go from his hand but he had it and was going straight toward the police car. This was before the officer said anything to him. The officer saw him sitting there, I presume he knew it was the guy based on the description I gave and he was the only guy outside of the store. A guy had just left and we were like, "Be careful." He said, "Yeah, I'm not worried about that guy." Luckily that was the last person to go out of the store.

I was standing by [REDACTED] so I could see him going toward the police car, but I didn't have a full view of the complete interaction because now his back was to me. He was getting closer to that police car and he was screaming with the same demeanor he had with [REDACTED] I couldn't really hear what he was saying but it was like, "Really you want to come after me!"

Investigator's Report

Witness: [REDACTED]

Case #15-037226; #15-037227

Page 3

I heard the officer yelling at him to stop or something similar. "Stop! Stop! Stop!" Like three or four times. Then I heard three gun shots. It seemed like two close together and then one more. I am assuming there is a certain point when you have to make the decision, is he close enough to harm the police officer, which I would have thought he was within an arm's length based on where he was. They were about twelve feet apart to begin with and he got at least half way to the officer and was still closing on him. I couldn't tell if the officer already had the gun ready. I thought he may have been firing in the air to get him to listen because I don't really know what you guys do. Then he was coming back towards the store and then towards Ralphs. I was still on the phone with the dispatcher. [REDACTED] told me that he had been shot in the leg. I assumed this is why he wasn't walking as purposeful as when he was aggravated. Then they were yelling. I saw another police officer come over, he was taller and thinner. They told him to get down on the ground. I was hyperventilating after I heard the shots. Then [REDACTED] told me that he was on the ground and they thought he was dead. I just stayed to the side because I didn't want to see anything. They were trying to give him mouth to mouth.

I didn't see the shots, I only heard the shots. I just saw that he was advancing straight to the car when he got here because he was mad. Then I saw him come toward the store and then east. When the dispatcher said I could get off the phone I did and just waited for someone to come and talk to us.

The interview concluded at about 0237 hours. I provided [REDACTED] my business card and asked her to call me if she recalled any additional details.

Sergeant Dobbs instructed me to meet with other members of Homicide Team III at that location to be briefed on the incident.

At about 0145 hours, we were briefed on the shooting by Patrol Sergeant Art Swadener. During the briefing, I learned of another incident possibly involving the decedent, Robert Hofer, at Hazard Center (located across Friars Road from this incident). The incident, San Diego Police Department incident history number 15080049276, was reported by [REDACTED] I called [REDACTED] and arranged to meet with her in person at her home. I drove to her home and spoke with her at about 1017 hours. I recorded the conversation for clarity and a copy can be reviewed for complete details. This is an “in essence” report and is not meant to be a word for word account of my conversation with [REDACTED] The following, paraphrased, is her statement and answers to my questions:

I was at the movie theatre. I came up the stairs and I was waiting for my [REDACTED] to pick me up. Security was already there watching a guy nearby. He was smoking a cigarette sitting over by the ATM. I don't know why security was watching him. Security left, and as soon they did I saw smoke coming up from his right side. I thought to myself, “Is this guy trying to start a fire or what?” I saw flames several inches high and it looked like he was moving the wood chips around to build the fire. I walked by him and called the police. Security told me that they had problems with him at one other time.

He was about 5'10, thin framed, maybe 160-170 pounds, blondish brown shoulder length brown hair. I don't remember if he had facial hair. He was wearing a black tee-shirt and Khaki or tan shorts or pants. He looked fine to me; I don't think he was on any meds. We see crazy people walking up and down [REDACTED] all the time.

Eventually he put the fire out and security came back. This was after I called the police. I told security about the fire and the heavy set guard said that the guy carries a blade. I saw the guy stand up and I watched the security guard back away and the guy kept coming to him. I told the security guard that it looked like the guy wanted to do him harm. I also saw the guard back away. I explained to him that I have thirty years experience in security and we are trained to observe and report. This guard actually went up to him. If he knew he had a blade, I think I would just observe and report. There was a second security guard, a female, up by Wyndham, watching the contact. When the guy saw her, he quit advancing on the first guard, grabbed his shopping cart, and walked off. The heavy set security guard had a male partner with him, an older man who looks like he is from somewhere else. They followed this guy away and then came back.

A tall slender police officer responded to the area and he spoke with security.

I showed [REDACTED] a booking photo of Robert Hober, but she could not identify him as the person she saw set the fire. She indicated that the person she saw was about the same age, and resembled the person in the photograph, but he was smaller and had longer hair. The interview concluded at about 1032 hours. I provided [REDACTED] my business card and asked her to call me if she recalled any additional details.

Officer: OBERNDORFER, Eric, ID #5672
Suspect: HOBER, Robert Arthur W/M (54) 09/20/60

SUBJECT INTERVIEWED: [REDACTED]

WITNESS STATEMENT:

On Friday, August 28, 2015, at about 0020 hours, I received a phone call from Detective Sergeant Matt Dobbs informing me of an officer involved shooting incident in front of the CVS Pharmacy, located at 5644 Mission Center Road. Sergeant Dobbs instructed me to meet with other members of Homicide Team III at that location to be briefed on the incident.

At about 0145 hours, we were briefed on the shooting by Patrol Sergeant Art Swadener. Following the briefing, Detective Louis Maggi and I were instructed to conduct witness interviews. At 0242 hours we spoke to [REDACTED] a witness to the incident, [REDACTED] I recorded the conversation for clarity and a copy can be reviewed for complete details. This is an “in essence” report and is not meant to be a word for word account of my conversation with [REDACTED] The following, paraphrased, is his statement and answers to my questions:

I was on the [REDACTED] and didn't get the view they did [REDACTED] The gentleman (Hober) was out front. I have seen him before. Detective Maggi: Did you hear any of the officer's commands before the shots?

No, I heard commands after he had been hit. He heard him say, "Yeah get down. Get on the floor. Something like that."

Detective Maggi: If the officer gave commands before the shots, would you have heard them?

No, I wasn't paying attention. My attention was caught once I heard the shots.

The interview concluded at about 0252 hours. I provided [REDACTED] my business card and asked him to call me if he recalled any additional details.

BACKGROUND

On August 28, 2015, at approximately 0035 hours, I was notified by Crime Scene Specialist Jennifer Sanders of an officer-involved shooting at 5644 Mission Center Road. I arrived at the scene at approximately 0132 hours where I met Detective Bill Kellner, Detective Ron Newquist, and Crime Scene Specialist Jennifer Sanders. Members of Homicide Team III and various SDPD police personnel were at the scene when I arrived. Criminalist Lisa Wilson was at the scene as the Crime Scene Reconstruction Trainee. I left the scene at approximately 0537 hours.

BRIEFING

The briefing was conducted by SDPD Sergeant Art Swadener, ID #5753. The following is a synopsis of the information gathered from the briefing and subsequent information provided by Detectives Ron Newquist and Bill Kellner:

- Communications received a call at approximately 0011 hours from an [REDACTED] about an individual brandishing a weapon in the store. Robert Hober, the suspect, allegedly chased a [REDACTED] with a box cutter. The suspect had purchased two bottles of wine from the pharmacy, and sat outside at a table near the west side of the front entrance to the store. Witnesses stated that the suspect was behaving erratically.
- Officer Eric Oberndorfer responded to the call and arrived at the scene at approximately 0016 hours. He entered the parking lot of the shopping center from the west, and drove east towards the front of CVS Pharmacy. He had no visual of the suspect who was sitting behind the west pillar near the front entrance of the store. As Officer Oberndorfer exited his vehicle, the suspect was approaching and yelling at him. The suspect was brandishing a box cutter and was advancing towards the officer. The officer gave the suspect verbal commands to drop the box cutter, but the suspect ignored his commands and continued to advance towards the officer. Officer Oberndorfer fired his gun two times, shooting the suspect once near the lower left rib cage and once on the left upper thigh.

SCENE DESCRIPTION

The CVS Pharmacy at 5644 Mission Center Road is located within the Friars Mission Center shopping center. The shopping center is accessed from Frazee Road on the west and Mission Center Road from the east. The entrance to CVS Pharmacy faces south. A table with two chairs was chained around a cement pillar on the west side of the front entrance to the store. The table and chairs are partially obscured by this pillar when viewed and approached from the west end of the shopping center. A parking lot surrounds the front of the business. See Diagram 1 below for description and observations.

OBSERVATIONS

- Officer Oberndorfer's patrol vehicle (#7213) faced northeast and came to a stop less than 10 feet away from the pillar on the west side of the front entrance to CVS Pharmacy.
- One copper jacketed bullet fragment was found west of the rear of the vehicle (placard 1) next to a green box cutter (placard 2).
- A glass fragment with a "Yellowtail Merlot" wine label (placard 3), and two nickel plated cartridge cases head stamped with "Federal 45 auto" (placards 4 and 5) were found on the ground south of the rear of the vehicle.
- A glass fragment was found under the rear of the police vehicle (placard 6).
- Based on the stated position of Officer Oberndorfer at the time of shooting, he was less than 7 feet west of the rear of his patrol vehicle, while the suspect, Robert Hober, was standing about 7 feet from the driver side of the vehicle. The approximated distance between the officer and the suspect was 13 feet.
- Officer Oberndorfer stated during his walk-through that he was standing near the rear of his patrol vehicle. He fired his gun twice at the suspect in a northeast direction.
- A review of the video taken from Officer Oberndorfer's body-worn camera shows the suspect approaching him as he was exiting his patrol vehicle. The suspect continued to advance towards the officer while the officer walked backwards towards the rear of the patrol car with his gun aimed at the suspect.

SUSPECT INJURIES

Robert Hober's body was covered by a yellow tarp. He was supine with his feet toward the east pillar near the entrance to the pharmacy. He was clad in jeans and a black T-shirt. An airway tube was inserted in his mouth, and EKG pads were attached on his left torso. Dr. Wagner, the San Diego County Medical Examiner, examined the suspect's body at the scene. He indicated that the suspect's injuries consisted of two gunshot wounds: one perforating wound to his front left upper thigh that exited near the lateral side of the right knee; and one penetrating wound to the lower left torso. One copper jacketed bullet fragment was recovered from the suspect's abdomen during the autopsy. Detective Kellner indicated that the cause of death was a penetrating gunshot wound to the abdomen.

OFFICER'S FIREARM

Examination of Officer Oberndorfer's Glock semiautomatic pistol indicated that he fired a maximum of two shots if his pistol was "hot loaded." Refer to Firearms Unit Criminalist Lisa Wilson's report, dated September 1, 2015.

CONCLUSIONS

The following conclusions are based upon the initial briefing conducted at the scene, observations made at the crime scene, examination of the scene photographs, review of the video captured by Officer Oberndorfer's body worn camera during the incident, and the firearms report.

- Officer Oberndorfer fired his pistol two times striking Robert Hober once in the lower left torso and once in the upper left thigh.
- The location of the cartridge cases was consistent with Officer Oberndorfer's stated position when he fired.
